

Learning for LIFE.

What's On Term Two, 2026

Learning for Life at Mount Carmel College is part of the Set Up for Success initiative, a **free** early years program promoting a love for learning for both young children (Birth -5) and their families.

It is run every Tuesday morning during term time in our Early Learning Centre (ELC) on Nelson Road where our experienced Early Years staff develop a variety of play-based

educational activities that meet the needs of young children, inspired by Christian values.

Attending these weekly sessions is a great opportunity for children to develop social skills, for parents and carers to connect with other families and meet some early childhood trained staff in a nurturing environment.

Movement and Music

This week's focus is on active play through music and movement. Enjoy some dancing, action songs and simple obstacle activities.

**23
Jun**

Nature Scavenger Hunt

Join us as we head outdoors for a scavenger hunt around the school, collecting leaves and natural materials.

**30
Jun**

Collaborative Nature Collage

Using the natural materials collected last week, we will work together to create a collaborative collage.

Let's Get Cooking

We will finish the term together in the kitchen, exploring simple cooking skills and making scones.

We look forward to welcoming you into our Mount Carmel College community.

Please register via our website before your first visit or contact us for more information. As part of the learning experience, children must attend sessions with a parent or carer who are responsible for their children at all times.

Every Tuesday from 9.15am to 10.15am during term time in our Early Learning Centre.
